MYSORE REPRESENTATIVE ASSEMBLY

October 1949

...

Resolution No. 74 92

This Assembly recommends to the Government of His Highness the Maharaja that a Committee consisting of some members of the legislature having some administrative experience and presided over by an outstanding personality with administrative experience be constituted to enquire into the causes for the undue delay in the disposal of Government business and to suggest measures for the simplification of procedure in the disposal of Government business.

The question of having a meeting of all the Heads of Depts under the Chairmanship of the Chief Ministers to discuss the ways and means of expediting Govt business is being drawn with by the Executive Audit Dept and the meeting is expected to be held after the Chief Ministers return.

In view of the fact that Govt has already taking action in this direction, it does not appear to be necessary to constitute a Committee as suggested by the Members

The discussion on this may perhaps be watched

Orders are solicited as to who should be in charge of the resolution
